GMMs will remain \$10 if you preregister, but NOW \$20 at the door. EventPass holders MUST preregister to use the EventPass or pay \$10 at the door. Members must cancel registration 3 business days prior to the event to receive a refund. EventPass holders that register and do not show will be billed \$10. Members that register without paying and don't show will be billed \$20. Thank you for your patience and understanding while we improve this process.
